

WHAT SETS US APART?

Optimotion Orthopaedics offers the most advanced and innovative procedures available today. We are excited to introduce our latest surgeon, Dr. Nam Dinh, a Board certified, fellowship-trained joint replacement surgeon with superior technical skills. His surgical skills, coupled with his compassionate approach to patient care, have resulted in superior outcomes with high patient satisfaction rates. Our group's mission is to deliver the best possible outcomes for our patients in the shortest amount of time. Recruiting high quality surgeons, honing our skills, and perfecting our protocols allow us to deliver consistent high-quality care. Services that are unique to our practice include ambulatory total joint replacement, lateral approach total knee replacement, and anterior robotic hip replacement.
